

CLIFF LANDIS
Comprehensive Curriculum Vitæ

clifflandis.net

clifflandis@clifflandis.net

EXECUTIVE SUMMARY

- Twelve years technology, management, information organization, reference, and instruction experience
 - Project management experience with an emphasis on assessment, evaluation, and goal completion
 - Author and speaker on the role of emerging technologies in libraries, user-centered service, web services, linked data, communication skills, and the co-evolution of humanity and technology
 - Experience in desktop and mobile web service design, development, usability, and assessment
 - Personal emphasis on using passion and innovation to solve complex problems in a changing information environment
-

EDUCATION

M.S.L.I.S. Florida State University, Tallahassee, Florida.
Knowledge Management. 2002-2004.

B.A. Auburn University, Auburn, Alabama.
Philosophy/Religious Studies. 1998-2002. Cum Laude, University Honors Scholar.
Thesis: *The Faerie Faith and the Beth-Luis-Nion Celtic Lunar Tree Calendar*.
Thesis Director: Richard Penaskovic

PROFESSIONAL EXPERIENCE

July 2016 – Present

Taxonomy and Metadata Manager

InterContinental Hotels Group, Atlanta, Georgia

- Manage digital assets including metadata schema development and implementation, file naming conventions, rights management, and asset tagging in Adobe Experience Manager Assets
- Develop and maintain enterprise taxonomy including stakeholder interviews, card sorts, facet development and contextual implementation
- Clean and normalize metadata including implementation of standards for interoperability
- Work with vendors on software development and asset aggregation (SapientNitro, Ogilvy, FOAP)

June 2010 – June 2016

Web Services Librarian / Assistant Professor

Georgia State University Library, Atlanta, Georgia.

- Manage 50+ web-based applications, including public website and intranet
- Provide consistent information organization, naming, tagging, search engine optimization, and reporting across tools
- Lead cross-functional groups in the selection and development of web-based services and software, including digital asset management systems, online exhibits, and live data feeds between tools
- Develop training materials and present workshops on best practices and new technologies
- Supervise two web programmers in the development of plugins and open source tool customizations
- Serve as Interim Department Head and Interim Systems Administrator

July 2004 – May 2010

Reference Librarian / Assistant Professor

Odum Library, Valdosta State University, Valdosta, Georgia.

- Coordinate library instruction efforts and outreach
- Facilitate Reference Team management and decision making processes

Updated: 2017-01-23

- Implement emerging technologies, including chat reference and institutional repository software

January 2004 – June 2004

Part-time Staff

Odum Library, Valdosta State University, Valdosta, Georgia.

- Reference Services.

September 2003 – May 2004

Library Intern

Odum Library, Valdosta State University, Valdosta, Georgia.

- Interlibrary Loan.
- Bibliographic Instruction.
- Reference Services.
- Government Documents.
- Team-based Management.

TEACHING EXPERIENCE

Assistant Professor, Reference Services, Valdosta State University, Valdosta, Georgia.

- ITED 7900, Library Research Methods for Online Students (3-credit graduate course). Summer 2005, Summer 2008.
- LIBS 1000, Introduction to Library Resources (1-credit undergraduate course). Fall 2004, Spring 2005.
- PERS 2750, Exploring the Information Society (2-credit undergraduate course). Spring 2007.
- Bibliographic Instruction: Graduate and Undergraduate instruction sessions, with a variety of disciplines taught, class sizes, and class lengths. (2004-2010).

Educational Collaborations (through WebCT):

Summer 2009	ITED 8500: Leadership in Instructional Technology	Dr. Lorraine Schmetzing	Developed some course content and created a resource guide for the course with embedded IM service. http://goo.gl/kX3HF
Fall 2008	NURS 4100: Research in Nursing	Dr. Maura Schlairet	Taught topic-specific library instruction session, and created a resource guide for the course with embedded IM service. http://goo.gl/hvwqL
Summer 2007	MLIS 7300: Cataloging and Classification	Dr. Elaine Yontz	Taught topic-specific library instruction session and advised students on research via email, instant messaging, and WebCT mail.
Spring 2007	MLIS 7300: Cataloging and Classification	Dr. Elaine Yontz	Advised students on available topic-related resources via discussion boards.
Fall 2006	NURS 7100: Clinical Pathophysiology	Dr. Maura Schlairet	Participated in "Ask the Librarian" discussion board, and taught topic-specific library instruction session.
Summer 2006	SOCI 4800: Constructing Social Policy	Dr. Kathe Lowney	Participated in "Ask the Librarian" discussion board, taught topic-specific library instruction session, and created a resource guide for the course.
Spring 2006	ENGL 1102: Visual Rhetoric (2 sections)	Dr. Helen Wishart	Participated in "Ask the Librarian" discussion board, taught topic-specific library instruction session, and created a resource guide for the course. http://goo.gl/DbdKO
